Circular No. 1, P. W., dated the 18th July 1916.

*To—The Chief Engineer, Superintending Engineers,
Executive Engineers and Deputy Commissioners.*

It is observed that the journals of the Engineer and Subordinate Officers often contain corrections in the amounts of claims and such corrections are sometimes attested and sometimes not and pencil alterations are also occasionally found. The amounts passed on such journals cannot be ascertained and the Controlling Officers are, therefore, requested to attest the corrections ordered by them and specify in words the total amounts for which they pass the journals countersigned by them.

Circular No. 2, dated the 22nd July 1916.

*To—All Public Works Disbursers,

(1) The State Fund should be relieved under Establishment and Tools and Plant to the extent of 18 per cent on the work outlay charged to Irrigation Cess Fund by debit to the latter Fund under Establishment and Tools and Plant. (2) In the Abstract of Expenditure against Local Funds Budget Grant (Form No. 128 B2), the expenditure under Irrigation Cess Fund will be classified under Major and Minor Works, though it will be shown in the aggregate in the Account-current. A new head "Repairs" will be opened under "State Fund Irrigation Major" in the Abstract of Expenditure against State Fund Budget Grant (Form No. 128 B1).

On receipt of the said Treasury Receipt, a life insurance policy shall be prepared in the appropriate Policy form appended to these Rules signed by the Secretary to the Insurance Committee and forwarded to the insured by registered post with a receipt book for recording subsequent receipt of premium. If the proposal has been rejected or otherwise dealt with the Secretary shall communicate the same to the proposer.

LIFE INSURANCE CONTRACT TAKES EFFECT FROM DATE OF FIRST PAYMENT.

15. A life insurance contract shall have effect from the date of payment of the 1st instalment of the insurance premium, notwithstanding the issue of a policy on a different date. If the first instalment payment is not made within the time specified in Rule 14, the whole proceedings shall stand cancelled and they shall commence *de novo* if the proposer desires to come up again.

PAYMENT OF SUBSEQUENT PREMIUM.

16. The Officer in charge of the Treasury into which the premium is paid shall acknowledge the payment under his initials and date in the Receipt Book produced therefor. The period for which the insured at first agrees to pay premium, may be changed to any other at any time to suit his convenience by applying to the Secretary to the Insurance Committee. In cases in which premium is paid half-yearly, quarterly or monthly, the balance of the year's premium will be deducted from the assured amount before it is paid.

17. A grace of fifteen days for monthly and quarterly payments, of thirty days for half-yearly payments and sixty days for yearly payments is however allowed.

18. A life insurance policy the premium due on which has not been paid in the manner provided in Rules 16 and 17, shall not lapse if the insured dies within the period of grace and the sum assured by it shall be paid to his nominees or legal heirs declared as such by a competent Court of Law in the Mysore State after deducting the premium due. Otherwise it shall lapse and all claims to the sum assured by it forfeited.

HOW A LAPSED POLICY MAY BE REVIVED OR SURRENDER VALUE SECURED.

19. A lapsed policy may be revived on payment of all arrears of premium with compound interest at 4 per cent per annum, (1) if application for renewal is made within six months from the date of lapse accompanied by a declaration signed by the insured before a Magistrate to the effect that the insured continues to be in good health, and (2) if made at any time thereafter, by production of satisfactory detailed medical certificate obtained from a Medical Officer to be approved by the Committee on payment to him of a fee of Rs. 1. If it is not so revived, a surrender value of not more than 40 per cent of the premium paid without interest may be obtained on application within a year from the date of default to the Secretary to the Insurance Committee to whom the policy should be surrendered.

CONDITIONS OF ISSUE OF PAID-UP POLICIES.

20. A lapsed Endowment Policy which has been in force for not less than three years may be exchanged for a fully paid-up policy, the amount of which shall bear the same proportion to the original amount assured as the premium paid bears to the amount payable if the insured lives till he completes the stipulated age.

A lapsed WHOLE LIFE POLICY which has similarly been in force for not less than three years may also be exchanged for a paid-up policy the amount of which will be intimated on application.

PAYMENT OF POLICIES.

21. The Amount assured by a policy issued under these rules, if it is an ENDOWMENT POLICY shall be paid to the insured after its maturity in the ordinary course. If it is WHOLE LIFE POLICY or in cases of endowment policies in which the claim arises by death, the payment will be made to the surviving registered nominee of the insured (vide Rule 22) or his legal heirs as the case may be, on surrender of the policy.

NOTE.—Policies are not rendered void by death from suicide if they have been in force for at least one year.

REGISTRY OF NOMINATION.

22. An insured person may apply to the Secretary to the Insurance Committee in the form prescribed therefor to register the name of any person whom he may wish to nominate to receive the amount assured by his policy in case of his death and the amount shall be paid to such nominee, or if the nominee is a minor, to his appointed guardian, on satisfactory proof of death of the insured and on surrender of the policy. Should the insured die without registering his nominee or before his nomination application has been accepted by the Insurance Committee, the amount shall be paid to his legal heirs declared as such by a competent Court of Law in the Mysore State and on the surrender of the Policy.

NOTE.—An authenticated extract from the MORTUARY REGISTER of the place where the Insured has died and the statement of two respectable persons who have personally attended the cremation or the burial of the dead body of the Insured, may be considered sufficient proof of death.

23. When the person nominated dies before the Insured, the nomination becomes *ipso facto* void and the heirs of the nominee will have no claim.

When more than one person are nominated, the sum assured will be payable to all of them jointly or to survivors at the date of death of the Insured. The heirs of nominees dying before the Insured will not be recognised.

An insured person making a nomination may cancel it or make a different nomination at any time.

MISCELLANEOUS.

24. An actuarial valuation of the assets and liabilities of the Funds of the Life Insurance Scheme, Public Branch, shall be made once in FIVE years.

As the Government of His Highness the Maharaja do not desire to derive any profit from the Public Insurance Scheme, surpluses declared by the Actuary will be distributed amongst the policy-holders or otherwise utilized for increasing the stability and soundness of the Fund. The decision of Government in such matters will be final.

25. If an Insured should lose his Policy or a Premium Receipt Book, a duplicate thereof may be issued to him by the Committee on his paying a fee of four annas for the Policy and two annas for the Premium Receipt Book.

26. False information furnished by a proposer or an insured or production of any false evidence in the matter of the insurance of his life or other points connected therewith shall render his policy null and void and the premiums paid by him shall be forfeited.

27. Loans on policies issued under these rules and other usual facilities will be provided for gradually under separate rules framed in that behalf.
